# Under the skin

## Illustrating the human body

1 February – 15 March 2019

Explore the artistry  
and innovation of  
anatomical illustration  
from the medieval world  
to the present day.

Free  
entry

Part of Thinking 3D,  
an interdisciplinary  
exploration of the concept  
and communication of  
three-dimensionality  
and its impact on the  
arts and sciences.
